

UnDesto AI® Authorized Partner Program

98% of companies want to adopt AI, but only 13% are actually ready.

AI Invest

The gap between interest and implementation is massive, and most companies don't know where to start. As an UnDesto AI® Authorized Partner, you offer a trusted path forward, introducing clients to enterprise-grade AI strategy, backed by expert delivery and built for real business results.

Integrating AI services into a consultant's offerings can boost their value by 20% to 40%

BCG Research

With UnDesto AI®, you can open the door to high-impact AI conversations and generate new income by introducing trusted clients to enterprise-grade services - delivered by us, represented by you. You stay focused on relationships and growth, while we handle the strategy, delivery, and execution.

The Strategic AI Opportunity

Our Authorized Partner Program empowers you to grow your business by offering enterprise-grade, high-impact services delivered by UnDesto AI®. You'll gain the training, support, and positioning tools to help your clients adopt AI with clarity and confidence. And, you'll earn from every engagement while strengthening your role as a trusted advisor.
